

BIO EDGE NATURAL 100%

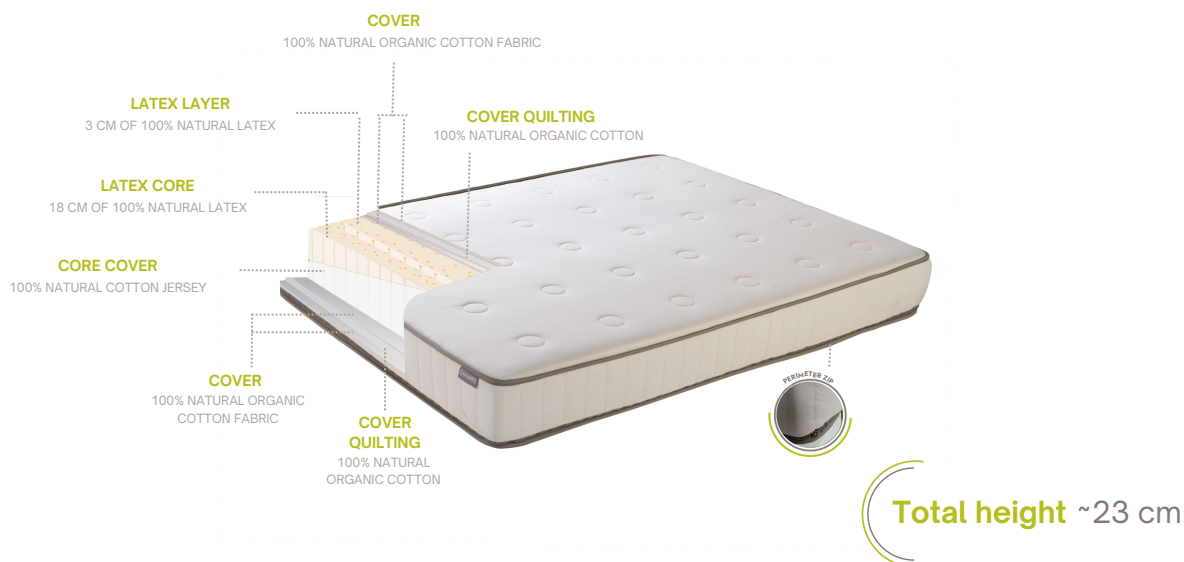

The most refined mattress in our 100% natural range

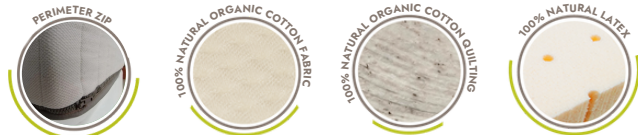

A fully natural mattress, designed without synthetic foams, without petrochemical derivatives and 100 % free from added adhesives and chemicals.

Only natural latex and organic cotton working in harmony.

No pollutants, no toxins.

100% Natural — only latex and cotton, with edge support

Double-sided mattress

Ensures even wear by maintaining the flipping and rotating cycles with each change of season.

EXTERIOR

Removable, washable quilted cover

Outer cover composition:

100% natural organic cotton fabric: 340 gr/m²

100% natural organic cotton quilting filling: 300 gr/m²

Perimeter edge support to improve the hold of the mattress structure. Zip concealed within the edge support.
